Direct Integration with AMS360

Collecting & Reconciling Payments Made Easy

Say Goodbye to Disconnected Systems

AndDone's AMS360 Integration pulls invoice details into your branded portal, giving customers an easier way to pay and your team full control to track and confirm every transaction.

REAL-TIME INVOICING

- ✔ View and Pay Open Invoices from AMS360
- ✔ Flexible Invoice Search (by Customer Number or Invoice Number)
- ✔ Pay Multiple Invoices at Once

BACK OFFICE AUTOMATION

- ✔ Post back selected payments to AMS360 in real time
- ✔ Auto-Reconciliation of Payments to Posted Invoices
- ✔ Flexibility to Review Payments Prior to Posting

Experience the Difference

Start simplifying your workflows today with AndDone.
